Could He?

He was a perfect wonder, was the parliamentary candidate for a certain agricultural district. And he was never shy of telling the voters why they should return him as their M. P. "I am a practical farmer," said he, boastfully, at one meeting. "I can plow, reap, milk cows, work a chaff-cutter, shoe a horse—in fact," he went on, proudly, "I should like you to tell me one thing about a farm which I can not do." Then, in the impressive silence, a small voice asked from the back of the crowd: "Can you lay an egg?"—London Answers.

RECIPE FOR GRAY HAIR.

To half pint of water add 1 oz. Bay Rum, a small box of Barbo Compound, and 1/2 oz. of glycerine. Apply to the hair twice a week until it becomes the desired shade. Any druggist can put this up or you can mix it at home at very little cost. Full directions for making and use come in each box of Barbo Compound. It will gradually darken streaked, faded gray hair, and removes dandruff. It is excellent for falling hair and will make harsh hair soft and glossy. It will not color the scalp, is not sticky or greasy, and does not rub off.

WHITWELL MAN USES "HERBMYSTIC" WITH ASTOUNDING RESULTS

Gains 37 Pounds and Begins to Eat Anything after Taking Just Seven Doses—Cured of Stomach Trouble After 21 Years Suffering.

Mr. John T. Christain, of Whitwell, Marion county, Tenn., says he is preaching the gospel of good health, after using four bottles of "Herbmystic," Nature's Greatest Tonic, the superior preparation. Here's the startling facts in his case: "I am glad to have the opportunity to explain my case to you. I have had what the doctors called stomach trouble for 21 years. I have tried all kinds of medicine that was recommended for indigestion. I have spent hundreds of dollars for the different remedies, but did not get any relief. First of June I had to stop eating anything except a little soup, every time I would eat anything I would have smothering spells, shortness of breath, palpitation of the heart and I got so I couldn't walk to my work, which was a mile away, had to rest five and six times. I got so weak I had about given up all hope of ever getting well. Two of the best doctors in town did all they could for me, but no relief. I had not eaten a bite of bread in four months. On Oct. 16th I bought a bottle of "Herbmystic." I weighed 120 pounds. After taking seven doses, I ate bread, and began to eat anything I wanted to eat and it did not hurt me. I did not smother, shortness of breath all gone. I can walk to my work in forty minutes, where I took two hours to go. Nov. 16th, one month later, I weighed 157 pounds. I gained 37 lbs. in one month. Today, Dec. 21, I weigh 147 lbs. I am feeling better than I have felt in 21 years. I have used four bottles of "Herbmystic" and I can't praise this medicine high enough for what it has done for me. It has cured me of Stomach trouble, Liver, and Kidney disease. I am as well as I ever was and I don't feel any effects of stomach trouble any more. Many thanks to you for this great remedy. I am preaching the gospel of good health telling the people what "Herbmystic" has done for me, will do the same for them. I wish every person in the world that is sick would use one bottle and be convinced that they can be cured. The druggist can not keep it. They got in a supply a few weeks ago and it's all gone." This is one of many statements that we have received from grateful people, certifying to the wonderful curative powers of this superior preparation "Herbmystic" is sold in Sequatchie Valley by Evans & Pope, Whitwell, J. W. Simpson & Son, Jasper, Jno. J. Ingle, South Pittsburg.
